A MESSAGE FROM OUR DIRECTOR

Dear Player and Parent,

Congratulations on joining the LPA Academy for the 2026/27 season! This reflects your enthusiasm, effort, and potential — and it's just the start of an exciting journey.

At LPA, we're here to help you grow both on and off the pitch. The Academy is designed to develop your skills, build confidence, and inspire a love for the game that lasts.

Football isn't just about talent — it's about effort, consistency, and a positive attitude. We ask that you come ready to learn, to work hard, and most importantly, to enjoy the process of becoming a better player.

You'll be guided by coaches who care about your development, train alongside teammates who share your passion, and take part in matches, tournaments, and events that will challenge and excite you throughout the year.

This journey is about more than football. It's about learning to work as a team, showing resilience, and carrying yourself with confidence — skills that will help you on the pitch and in life.

We're proud to welcome you to the LPA family. Let's enjoy the season ahead and see how far you can go.

Yours in football,
Del Tobias
Director, Learn Play Achieve Academy

ABOUT THE LPA ACADEMY PROGRAMME

The LPA Academy Programme is designed for players who want to develop their skills, grow in confidence, and take their football to the next stage.

At its heart is personalised, technical training, recognising that no two players are the same. Each Academy player receives targeted support, whether refining technique, building tactical awareness, or developing physical and mental resilience.

Our training focuses on:

- Technical Mastery & Creativity
- Tactical Intelligence
- Physical & Mental Resilience
- Team Identity & Community

We believe development is a journey, not a race. Our job is to provide an elite environment where players feel seen, supported, and challenged to become the best version of themselves.

From weekly sessions and local fixtures to fun tournaments and special events, the LPA Academy Programme helps shape confident, skilful footballers — and happy, well-rounded young people.
