Building More Than Football

Our New LPA Website

We've listened, and we've made some exciting changes!

Over the past few months, we've introduced a new booking and payment system through TeamUp, designed to help us manage our growing Academy more efficiently. Whilst this has been a fantastic step forward behind the scenes, we completely understand that navigating the new system hasn't always been as straightforward as we'd like for our parents.

We recognise that finding sessions, booking holiday camps and accessing the right information should be quick, simple and stress-free. That's why we've been working hard on our brand-new LPA Sussex website, designed to make your experience easier than ever!

The website will act as your central hub for everything LPA, with clear, simple navigation that takes you directly to exactly where you need to be within TeamUp, without having to search through different menus or booking options. Whether you're looking for Academy or Elite sessions, school clubs, holiday camps, upcoming events or information about our programmes, everything will be much easier to find.

At LPA, we believe every child develops at their own pace, and our aim is to provide the right opportunities, support and environment for every individual to reach their potential. As we continue to grow, we're committed to improving not just what we deliver on the pitch, but the experience we provide for our entire LPA community.

Thank you for your patience, your feedback and your continued support. This is your Academy, and we're building a better experience for everyone!

Summer & October Fixtures

Throughout the summer and into October, our LPA Academy players enjoyed fantastic fixtures against Chelsea Elite, Advanced Football Coaching, Allstars, and RMA. These matches provided valuable opportunities to put their training into practice, challenge themselves against different opposition. A huge thank you to everyone involved in creating these opportunities. We look forward to many more throughout the season!

Holiday Camps

Our Summer and October LPA Holiday Camps welcomed players of all ages and abilities for days filled with football, fun and development. It was brilliant to see so many familiar faces alongside new players, all enjoying the game. A huge thank you to everyone who joined us and made the summer such a success!

Free September

Free September was a fantastic success, welcoming 115 new players to LPA Academy! It was brilliant to see so many young players enjoying our coaching sessions, with many choosing to continue their football development by joining our Academy from October.

Hailsham Academy

We were delighted to launch our new Hailsham Academy sessions in October, offering more young players the opportunity to develop their skills and confidence through our LPA coaching programme. Sessions run every Monday during school terms, 5:30pm–7:00pm at Hailsham Academy.

October Bring a Friend

October Bring a Friend has been a great opportunity for players to introduce their friends to LPA Academy, with a chance to win a £100 football boot voucher! Emails have now been sent to all new players who signed up during October, asking them to confirm which friend referred them. We're looking forward to announcing our lucky winner and rewarding one of our players for helping grow the LPA community!

Start of the Shadow Squad

Our new LPA Shadow Squad has been up and running for the past couple of months, following a similar structure and development approach to our Elite Programme. The players have settled in well, enjoying their training sessions and already taking part in a couple of fixtures. It's been a really positive start, and we're excited to see how the group continues to develop over the coming months.

Manchester Tour 2026

Our recent Manchester Tour was a fantastic experience for everyone involved, with players enjoying behind the scenes stadium tours of both Old Trafford (see photo above) and the Etihad Stadium. The trip also included a private training session and a visit to the National Football Museum. Beyond the football, it was brilliant to see players building friendships, sharing experiences and creating lasting memories together.
